## Lincolnview Local Schools New Athletic Ticket Proposal for K-12 Students

Dear Lincolnview Parents & Students:

The Lincolnview Board of Education and Administration has changed the athletic ticket policy for all Lincolnview students in K-12. Starting today, Friday, October 1<sup>st</sup> all K-12 students will be admitted “free of charge” into home, regular season athletic events providing seating availability. All K-6 students must be accompanied by a paid adult when attending an athletic event. All students (K-12) must sign in at the ticket table when entering the athletic event. Additional procedures will be implemented for high school boys’ basketball games. Again, this new policy is for home, regular season games only and does not include any OHSAA or Northwest Conference tournament games Lincolnview Local Schools host.

Also, if any parent purchased a student “All Sports Pass” for this year, you may have the pass refunded. Return the pass to the High School Office or the Lincolnview Athletic Department and a refund will be processed through the Treasurer’s Office.

As we implement this new student ticket policy, there may be changes in the future as we learn how to administer it more efficiently. Thank you for supporting our efforts to give back to our students in promoting school spirit and the Lincolnview Lancers!! 😊

Sincerely,

Lincolnview Administration
